come with us in prayer

as we go “all round the world,”
taking, “light into dark corners”

Give thanks for those who are been able, in one way or another, to carry that light into schools; for the many, different, innovative ways God's word is presented; for the schools who are keen to share those presentations with the children in their care...

Please pray for those children - and their parents - who live in dark corners, where an assembly might bring some light and some hope...

Zephaniah assemblies/collective worship

Could be led by John, Julia, Julie, Yvonne or combinations of the above
