come with us in prayer

...as we go to Bingley, Birstall, Brighouse and Barnsley;
Baildon, Birkenshaw and Earby; Littleton, Lidget Green
and Lothersdale; Redcar and other places that don't
alliterate as we take

light into dark corners

Would you pray...

for Jenny and her son, Thomas, as they relocate to the fair city of
York, that new workplaces would be friendly and fulfilling.

for Natalie as she takes up the responsibility of Zephaniah
administration, that she will feel supported and useful.

for those who are stressed beyond their resources, that they will
know the peace - and the provision of God.

for schools as they seek to look after the children in their care as
the nation struggles with a heating and feeding crisis.

...and day by day for the incredibly wide range of ways our team
take the light into dark corners? Thank you.

and out of school...
